

## **How to change your real property mailing address:**

The mailing address on your property record will determine where your valuation notices and tax statements are sent. The Assessor/ Register of Deeds' Office is now responsible for mailing address changes. To request such a change, call (402) 444-7060 and choose the prompt for real estate records, or email us [here](#). If you email a request for an address change, include:

- The name that is currently on the property record
- The parcel number
- The current mailing address
- The new mailing address
- Your phone number
